## **Weekly Updates from CU Boulder Advancement**

### July 17th, 2024

Dear Advancement colleagues,

On Thursday and Friday, I will join the Leadership Team in Cherry Creek for an off-site we do about three times a year. During these off-sites, we dedicate the time and space needed to focus on the big picture strategies that will drive our mission forward long-term, including our resources and how they contribute to achieving our multi-year strategic framework goals and launching our first-ever comprehensive campus-based campaign. In my Weekly Update at the end of the month, I will provide key takeaways and insights from the leadership team's time together. However, I have something special planned for next week's update — trust me, you're going to *flip* out...!!

Here are this week's brief updates:

- 1. Say "farewell" to summer**
- 2. Advancement is hiring**

## Say "farewell" to summer

Hard to believe there's only a few weeks left of summer — it feels like it just started! For those in denial, CU Boulder's Health and Wellness department is hosting the **Summer Farewell Fest**, a fun event to soak up the last "summer vibes" before welcoming a new academic year in the fall. There will be free carnival games, inflatables, food, school supplies, music and, of course, a variety of wellness resources. You and your families are invited to attend on Friday, Aug. 9, from 4 to 7 p.m. at the CU Boulder Recreation Center.

## Advancement is hiring

Advancement is hiring for the following **position** — please reach out to your networks:

- **Assistant Director of Development, School of Law**, to grow philanthropic support for the college through planning, cultivating soliciting and stewarding gifts.

Thank you,

### **Team Updates**

No updates this week.
