Dear team,

The Leadership team and I want to thank the folks that attended the June dates. We have one last set of repeat trainings for this series. In preparation for these sessions, I have a few reminders (and one important deadline!) to share:

1. The first all-staff session takes place July 16 from 9–11 a.m. in KOBL 352. For those planning to attend this session, please **open the attached PDF** and **complete the identity activity by Monday, July 8th**. This (very short) activity will be incorporated into the training.
2. The manager-only training session will take place July 17 from 9–11 a.m. in KOBL 352.
3. When you arrive at Koelbel, we ask that you complete a brief pre-session assessment before taking your seat. This is also how we will be taking attendance so please remember to bring your cell phone or a tablet to access the QR code.

To uphold our dedication to fostering a diverse, equitable and inclusive atmosphere, these training sessions are crucial. DEI stands as a fundamental value within our division and a key element of our strategic approach. Your involvement will contribute to enhancing our community and furthering our mission.

**Please 'accept' the meeting invitation for the date you expect to attend. If you are unable to attend either session due to scheduling conflicts, please notify Robin Dean as soon as possible.** We look forward to your participation in these important training sessions to reinforce our commitment to diversity, equity, inclusion and belonging.

Best Regards,  
Jasimine
